

TEH #92
CAMP MEETING

TO ENTER SLOVAKIA
YOU NEED TO KNOW.

COVID

NOVÁ CVERNOVKA
BRATISLAVA → SLOVAKIA

COVID-19 RULES

SUMMARY OF THE STATUS IN SLOVAKIA NOW

Before entering Slovakia, you need to fill in this online form [e-hranica](#).

If you are landing at Bratislava airport you also need to [fill in this online form](#) + have PCR test not older than 72 hours from sampling if flying from countries not listed [here](#). (scroll down to approximately middle of the website to see the list)

To enter Slovakia without the need to quarantine you need to meet one of the following exceptions:

- be vaccinated = 14 days after second dose of the two dose vaccines / 21 days after first dose of the one dose vaccines / 14 days after first dose of any vaccine if the dose was applied within 180 days after positive test for COVID /
- have permanent/temporary residence in one of the EU countries or Switzerland, Norway, Island or Lichtenstein + have a contract for work/performance in Slovakia + have PCR test not older than 7 days

FACE MASKS

Face masks or respirators are mandatory in all public indoor areas including airports, train stations and all kinds of public transportation. Face masks are not required in the open air.
